Re: Office communication dated 9 March 2004

5 May 2004

Thank you for your Office communication. I wish to advise that I have submitted a request for a one (1) month extension (to 9 May 2004) and made the required payment pursuant to 37 CFR 1.136(a).

I noted all the issues you have raised in your reports dated 10 October 2003 and 9 March 2004 respectively. I believe that this letter with attachments will satisfy all of your concerns in this application.

Looking forward to being granted a US patent, I remain

Yours truly.

André Jacques  
Inventor & Applicant
